

CLEANING OF NURSERY
Minimum of Twice Daily [Morning/Evening]

NOTE: Gather all soiled bedding from pens, place in washer - set for MEDIUM water level - and pre-soak/wash with cold water (with laundry soap/bleach). When finished, wash/rinse with hot water (with laundry soap/bleach).

1. Move female to clean pen (cleaned the previous evening/morning).
2. Fill sanitized food bowl with fresh food to feed puppies. While the puppies are eating, remove water/food bowls. Wash thoroughly with antibacterial dish soap and rinse. Spray with Clorox Clean. Let stand for 5 minutes. Rinse thoroughly and dry.
3. Move puppies to pen with dam.
4. Pick up and dispose of all soiled newspaper in puppies' pen.
5. Mop floor (1c bleach/5 gallons water). Spray with Clorox Clean. Let stand for 5 minutes. Mop/rinse thoroughly. Wipe down walls (1/4 c bleach/1/2 gallon water). Use steamer to sanitize/dry floor.
6. Place food/water bowls in pen. Fill water bowl with fresh water (2 gallons). Fill food bowl with fresh food.
7. Put down several layers of fresh newspaper at rear of enclosure. Cover only 1/4 of floor space. Put down fresh bedding.
8. Move 2 nd female to clean pen.
9. Repeat Steps 2 - 8 until all pens are cleaned; dams/puppies are all re-located into clean pens with fresh water and empty pen is cleaned and ready for next cleaning.
10. Remove clean bedding from washer and place in dryer.
11. Sweep/mop common floor space; wipe down counter tops and washer/dryer. Spray with Clorox Clean. Let stand 5 minutes, then rinse. Use steamer to sanitize/dry common floor space.
12. Empty mop water; rinse bucket; fill with hot water; add 1c bleach/5 gallons water and 1c Pinesol. Place mop in water. Let stand for 5 minutes.
13. Remove filter from air conditioner and rinse thoroughly. Spray with Clorox Clean. Let stand for 5 minutes. Rinse thoroughly and re-insert in air conditioner.
14. Place mop in wringer, wring out excess water and leave in wringer.
15. Spray nursery with Febreze/Glade Pet Odor Eliminator.
16. Pour 1/4 c Pinesol disinfectant into sink.
